

World Environment Day Celebrated at Sunrise University with Plantation of 101 Saplings

Sunrise University celebrated World Environment Day on 6 June 2026 with great enthusiasm and commitment towards environmental conservation. On this occasion, 101 saplings were planted across the university campus to promote greenery and raise awareness about the importance of protecting the environment.

The program was conducted under the chairmanship of **Dr. Kuldeep Yadav, Registrar, Sunrise University**. The event was attended by **Mr. Mahendra Yadav, University Supervisor; Dr. Dilip Singh Dean Academics ; Dr. Harpyari Mahla, Head of the Department of Law; Mr. Rakesh Sharma, Deputy Registrar; and Mr. Ravi Shankar Rao, Head of the Department of Pharmacy**. Faculty members, staff members, and a large number of students actively participated in plantation

Addressing the gathering, Registrar **Dr. Kuldeep Yadav** emphasized the importance of environmental protection and sustainable development. He encouraged students and staff to contribute towards creating a greener and healthier environment by planting and nurturing trees. He highlighted that collective efforts towards environmental conservation are essential for ensuring a better future for coming generations.

The participants pledged their commitment to protecting nature and maintaining ecological balance. The event concluded with a message of environmental responsibility and the importance of preserving natural resources for future generations.
